

Dear lightweight adventurer:

Thank you for your interest on the Kawasaki KLX 250/300 conversion kit.

As there are only 20 sets manufactured at the moment, I did not invest into a state of the art online shop and all these modern pay methods.

So the hole purchase will take more time ... like in the "good old days".

I hope you can understand this.

Price:

One Kit is USD2395,- without duty, VAT, TAX or any other country specific import charges. Please check additional costs before.

Shipping method:

SEA up to 35 days or maybe even longer – USD 275,- world wide

for faster shipping (AIR) send me an email!
